

Getting Started with Chat GPT & Generative AI: Part 2

Instructor: Ashley Harris

Organization: Accelerate Augusta

Partner Institution: Augusta Technical College

Course Duration: 1 day, 2-hour session

Location: Augusta Tech Campus / On-Site (TBD)

Prerequisites: None – Open to all experience levels

Required Materials: Laptops/tablets, Chat GPT account (free tier is fine)

Course Overview:

This advanced workshop is designed for those who have completed the ChatGPT Intro course or have basic experience with AI tools. Dive deeper into the art of prompt crafting, explore advanced features, and learn how to integrate AI more strategically and ethically into your personal and professional life.

Learning Objectives:

1. Write more powerful and effective prompts.
2. Apply AI tools to participants' business challenges.
3. Understand the broader landscape of AI tools.
4. Think critically about AI's evolving role in society.

What to Bring:

1. Laptops/Tablets (with charger)
2. Your best prompt ideas and use cases.
